### Vixen's Birthday

The Webkinz were preparing the house for Vixen whenever she comes back. Why are they doing this, you ask? Well, it's because it is her birthday. And Lulu is teaching her son Oreo how to write the words 'Happy Birthday, Vixen' on the birthday cake. And Blackie was on the lookout for Vixen and Comet.

>"Vixen might be coming back any minute now." said Easter.<br>"I know. But we're not ready yet." said Lulu.

>"Hey guys, here she comes." said Blackie.<br>"Alright. Turn off the lights." said Prancer. Everyone began to hide.

>"I had a great time, Comet." said Vixen.<br>"I'm glad you like it." said Comet. Vixen then saw the lights were off.

>"I'm pretty sure the lights were on when I left." said Vixen. She turned on the lights.<br>"SURPRISE!" screamed everyone at the same time.

>"Aw, you guys are the best." said Vixen.<br>"Wait, what's going on here?" asked Comet.

>"Today is Vixen's birthday, Comet." said Hector.<br>"I'm surprised you didn't know that." said Vixen to Comet.

>"If I did know that it was your birthday today, I would've got you a birthday present." said Comet.<br>"Well, guys, there're presents over there and snacks over here. Let's open presents while we eat our snacks." said Stripes.

>"Alright." said Vixen.<p>
